

GAIHN Holiday Carriage Ride Confirmation 2011

The carriage rides begin and end at JB Lacher Jewelers, located at 123 College Street (map attached). JB Lacher's Jewelers has been our generous host sponsor for eight years now.

Each member of your group will receive a complimentary cup of hot chocolate and a Christmas cookie to enjoy either before or after your ride. **No food or drink is allowed on the carriage itself.** Blankets are provided on the carriage, but please feel free to bring your own blanket as well.

If you need to change your scheduled appointment please call 271-3424 at once. After 4pm please call 907-8167. Our Carriage Rides are cancelled if the weather is severe: slippery conditions caused by precipitation are dangerous for riders, staff, and the horses. Cancellations are decided by 2pm; a make-up day is set for Monday, December 26.

Check in with our GAIHN volunteers at Lacher's Jewelers (123 College Street, adjacent to Buncombe Street United Methodist Church) a few minutes before your carriage is scheduled to depart. **Carriages seat a maximum of 4 adults comfortably** (children may ride in adults' laps if they like) and the ride usually lasts 12-15". Ample parking is available at JB Lacher's and at BSUMC (parking is very limited on Wednesday evenings due to church activities; a public lot is located across Richardson Street). JB Lacher Jewelers is located two blocks west of the Hyatt.

Thank you for supporting GAIHN in this important manner. Your generosity, and that of the following sponsors, is a blessing to our GAIHN guest families as they deal with the challenge of overcoming homelessness.
