

Corey Watt, the 13 year-old son of Steven and Andrea Crider-Watt, has just completed his Eagle Scout project.

Corey's experience in working with our GAIHN guest families through his church, St. Mary's Catholic Church (in their partnership with Lee Road United Methodist Church), inspired him to collect luggage for the guest families. After months of hard work he and his family presented GAIHN with 165 luggage items, along with 13 sets of necessities for families moving to transitional housing, and more than 20 first-aid kits.

Thanks to Corey's hard work and the generosity of several congregations, like St. Mary's, Lee Road UMC, and Prince of Peace Catholic Church, no longer will our guests have to move their belongings from place to place in fragile trash bags. Now, each family member will have his or her own piece of luggage to use for this purpose.

Great job, Corey!

Corey Watt, with his parents, Steven and Andrea Crider Watt, and his sister, Whitney
